

WONDERFUL

YOUR 2020 IMPACT

WONDERFUL.

NOT A WORD YOU MIGHT ASSOCIATE WITH THE YEAR 2020.

Though the past few months have been filled with uncertainty, fear, and isolation for so many, we did not let COVID-19 hinder our goals to impact the youth in need of our program. We decided that camp would need to be remote and rolled up our sleeves and got creative. Instead of all meeting in person at camp, we instituted a virtual partner-led summer program using Camp Amplify's curriculum. Our partners from multiple locations of Boys and Girls Clubs in North Georgia and East Tennessee, the Atlanta Dream Center, and the Atlanta Mission were excited to get started. We had 15 counselors attend the camp in person. The counselors portrayed themselves as campers as they worshipped and grew spiritually. Many of their testimonies are available on our website.

Our week-long camp was filled with activities and games that enhanced their faith and improved their social skills, even while in this virtual setting. For the children who camp with us, either virtually or in person, Camp Amplify is a place of sanctuary where they "can just be a kid," free of daily stresses of homelessness, poverty, and food insecurities.

Approximately 300 boys and girls participated in Camp Amplify's virtual camp and they had a fantastic time. This year's camp encounter was packed full of meaningful interactions and socially charged activities that focused specifically on how God loves them and that they are all made in his image.

Our annual scripture and theme for our camp was based on Psalms 139:14. It states, "I praise you because I am fearfully and wonderfully made; your works are wonderful, I know that full well."

**“I PRAISE YOU
BECAUSE I AM
FEARFULLY AND
WONDERFULLY
MADE; YOUR
WORKS ARE
WONDERFUL,
I KNOW THAT
FULL WELL.”**

To be fearfully and wonderfully made, means that every human being bears the image of God. God intimately knows every person and all humanity belongs to Him. Wow! The children that we serve may have only heard this for the first time; about our Savior who is always with us and is always pursuing a relationship with all of us.

God has truly been faithful through you. We could not have done this critical work without you. Your prayers and support mean so much to our ministry and we know that God's guidance and leadership every moment of every day allows us the opportunity to serve his people. Your contribution this past year supplied curriculum for every child as well as all supplies for activities and lessons.

During camp, this past year our partners witnessed 14 children who decided to follow Jesus, at just one location. Isn't that amazing that in a time when many have thrown up their hands, these precious children so innocently look to follow Jesus?
